

Transformational Coaching Training

Offered by Coach Training for Leaders, a leader in
Congregational Development/Re-development

- *How can you help pastors and churches become more vital? More effective?*
- *What resources do you already have in place?*
- *How might you deploy those resources more effectively?*

If you want to help pastors and churches become more vital- get them a coach!

But coaches are expensive and resources are limited. There is a solution. Train coaches in your Conference/District/Jurisdiction to provide partnerships for transformation in local congregations.
